REVISED ADMISSION NOTICE

M.Sc., PUBLIC HEALTH ENTOMOLOGY (2023-24)

M.Sc. Public Health Entomology Course regulations are updated as per Pondicherry University guidelines:

Eligibility for Admission

Category I: Candidates who have obtained a recognized **undergraduate degree related to Biological/Medical/Para-medical/Agriculture/Veterinary/Biotechnological disciplines** accepted as equivalent by the academic council of the Pondicherry University will be eligible. A minimum of 50% mark is essential for General/Unreserved/OBC and 40% for SC/ST candidates in their Under Graduate Degree examination, the qualifying examination for admission to the course. The requirement for differently-abled candidates will depend on the category they belong to. Candidates who are appearing for the qualifying exam in the year 2023 and are awaiting their results are also eligible to apply. However, they should submit the relevant certificates at the time of admission.

Category IIA: The age limit for the candidates under this category has been increased from 45 to 48

Common Entrance Test

Syllabus:

Syllabus for Common Entrance Test covers science subjects under the disciplines Biological, Medical, Para-Medical, Agriculture, Veterinary and Biotechnology. The multiple-choice questions from the above subjects shall be at the Undergraduate level.

Pattern of exam:

A common entrance test (CET) will be held in Cities where the above ICMR Institutes are located. The duration for the CET will be for two hours. There will be 100 multiple choice questions, each carrying one mark and there will be NO negative marking.
